Noriel Noriega
Assistant Director of Public Works-Village Engineer
31 W. Quincy Street
Westmont IL

**Re: PROJECT AWARD RECOMMENDATION
VILLAGE OF WESTMONT OGDEN AVENUE GATEWAY CORRIDOR PROJECT
ESI Project No.: 18-749**

Dear Mr. Noriega:

This is to notify the Village of Westmont that eight (8) different contractors obtained bid documents, and six (6) different contractors submitted bids for the Westmont Ogden Avenue Gateway Corridor Project. At the bid opening on February 25th, 2020 at 10:00 AM in the Board Room located in the Village Hall in Westmont, Illinois, the six (6) bids were opened and reviewed. The apparent low bidder was A-Lamp Concrete Contractors, Inc. Please note that the Lowest Bid was \$584,798.90 which was 27% lower than the engineer's opinion of probable estimated cost of construction (EOPC). The bids appear responsive and consistent; they ranged from \$584,798.90 to \$858,165.00. The summary of bids and the detailed tabulation of all bids are attached.

ESI Consultants will continue with the process of securing the necessary signatures and awarding the contract to be ready for construction upon the Board's approval.

Please call me if you have any additional questions.

Sincerely,
ESI Consultants, Ltd.

Anthony Bryant, P.E.
Director of Municipal Services and Transportation
